Ferry Terminal area

Catch a ferry to the islands.

The kids are ecstatic over the colorful ferries!
The islands are right out there.
Let's learn more about them at the Hokkaido Seabird Center.

A town with 2 islands: Haboro Shrimp is king, but scallops, octopus and sea urchin round out the seafood catch here. Fresh local vegetables abound as well. Choose a café and have a nice meal before you ferry out to the islands.

Haboro hot spring Sunset Plaza

Enjoy the view from the spa at this seaside oasis. The hotel and onsen are the main facilities of the roadside rest area Hotto Haboro. The rose garden and seabird center are located nearby. Indulge in shrimp rice bowls or shrimp and octopus pot-stickers at restaurant Nitomonogatari.
